Year 6 Week 2 (week beginning 30th March) for Barn Owls	
Daily Activities	
Reading	Try and read for at least ten minutes a day. The main thing is that you continue to read. We understand that you may not be able to find books at the current AR level but don't worry, continue to read and do quizzes on the books that you can. Use this link to search for books at your AR level. www.arbookfind.co.uk Click advanced search to search by book level.
Times tables	Use Timestable Rockstars to keep your skills sharp for 10 minutes a day.
Fitness	Keep active – build in some exercise into your daily routine! Have you tried a PE with Joe Wicks workout yet? https://www.youtube.com/user/thebodycoach1/channels
Twice a week	
Prodigy	Aim for 15 minutes twice a week.
Read Theory	Aim for 20 minutes at a time.
Over the week	
French	Complete your rivers poster if you still need to work on it. Espresso KS2 Languages: French Project – Watch the 'On Mange' videos and complete the onscreen activities. If you get in a muddle, use the talking dictionary.
Computing	Try an activity from the hour of code.
Once a week	
Science	Build Your Body Clock – glued in your book
Writing	The Magician – glued in your book
Maths	Growing Rings – glued in your book
White Rose Diagnostic	Complete the read, write, order and compare activity (Access will end on 5th April)
You could also:	
• Complete some of the 25 non screen activities • Complete a 'no internet' activity • Complete a reading activity • Have a look at the Espresso SATs routes – good for keeping key skills sharp. • Complete some work in your SATs books – even if they do not go ahead they are great skills to secure before you go to high school! • Those of you who access IDL can continue to do so at home.
