Dear parents/carers,

Parking in and around school

Due to the nature of our site, we can only allow parents/carers who are Blue Disability Badge holders to park for a short period at the beginning and end of each day, to collect children.

All other parents/carers **should not drive onto school premises**. We must ensure the safety of our children and staff members, as it is therefore necessary for us to restrict the amount of vehicle access onto the school grounds.

We would of course encourage as many children as possible to walk to school as the fresh air and exercise on a daily basis gives huge health benefits and helps reduce carbon footprint!

We understand that if you need to collect your child because of sickness, appointments and special circumstances during the day you will need to use the school carpark.

If you have any queries, please feel free to contact the school office.

Thank you for your cooperation and support.

Regards,

Mr M Collins
