SPORTS & PE FUNDING

Autumn Term 2017 Progress Report

We received £10,267 for this financial year (2017/18) and have carried £10000 from 2016/17.

USE TO DATE

Sports Funding allocated by the Government has been used to help:

• Fund the salary costs of our specialist sports coach who will train support staff and teachers to teach high quality PE (1.5 days)	45%
• Pay for the annual subscription charge for membership of Norwich City Sports and School's Football Association	
• Provide funding for Smooga (enclosed sports area)	40%
• Provide equipment and resources	1%
• Cricket and tennis coach	5%
• Pay for transport to sporting events	2%
• PE Conference	1%
• Payment of extra-curricular clubs for pupils eligible for the Pupil Premium Grant (PPG Funding).	1%

MONITORING

The Senior Leadership Team and PE Subject Leader regularly review the impact of sports funding throughout the term and monitor its impact on our pupils. We insist that our support staff team-teach alongside our sports specialist coaches in order to develop their teaching skills in PE and Games. Sport's coach and support staff monitor pupil progress using PE assessments. One of the targets is to inspire children to take part in sports at school and outside of school (clubs).

IMPACT

Our pupils show great deal of enthusiasm and enjoyment for Sports and PE. As a school we promote a healthy lifestyle in children from when they arrive and provide our pupils with a wide variety of clubs for them to benefit from. Participation numbers are encouraging and many clubs are fully booked this term. The impact of the sports funding is evident in the positive feedback received by the pupils, staff and parents. In the Pupil Survey, 95% of KS2 children felt that the school helped them exercise and participate in sports. The impact can also be seen by the amount of children who will be attending the regional cross country event and other competitions outside of school like tennis and girls football. Children's University has continued to promote sports and well-being as well. These include activities like swimming and dance.
